Policy for use of the YMCA facilities

The facilities and equipment of the YMCA are first and foremost for the use of YMCA members and regularly scheduled programs and activities. When these facilities are not in use by YMCA groups, they may be reserved.

A rental agreement must be signed, and a deposit paid at the time of reservation. Please furnish complete information on the rental agreement.

When signing the agreement, the renter agrees to follow all of the YMCA facility rules. Renter will leave all rented facilities clean and in an organized manner, and will be responsible for all lost, stolen, or damaged property. If damage occurs, then the renter will be held responsible and be billed for repairs.
